

Our menus are designed by our team with you in mind, with your support and feedback and the commitment to quality from our suppliers. Over several days our team of chefs meet, cook, and debate to finalise our latest menu. We trust you'll enjoy our choice.

Fairfax Meadow is committed to progressing environmental concerns, working with our suppliers and customers, sourcing product to meet any particular criteria specified by it in origin, animal husbandry or product quality. We source a wide range of meat and meat products from origins throughout the world, for processing from a number of UK suppliers certified with audit schemes such as Red Tractor, Assured British Meat, British Quality Assured Pork, Assured Chicken Production and EBLEX.

M&J Seafood are totally committed to responsible sourcing and supply of the best of the world's catch from well-managed and sustainable fisheries. We source products within the UK and Internationally under regulatory guidelines, whilst maintaining our commitment to actively promote greater variety and under-utilised species.

Pauleys fresh Produce and the Brakes Group are committed to minimising our impact on the environment and respecting the communities we serve, ensuring that the business practices we adopt today will not harm future generations. Whether driving down food miles, responsible sourcing, or reducing our carbon footprint. Our progress with regard to environmental issues is particularly striking.
